### ICT Mahidol held “ICT Buddy Program 2020”

On 19 February 2020 – the Faculty of Information and Communication Technology (ICT Mahidol), led by Dr. Pawitra Liamruk, Deputy Dean for Organizational Communication and Engagement, held ICT Buddy Program 2020, the 1<sup>st</sup> meeting at room IT321, ICT building, Salaya campus. During the event, both Thai and international students got chances to exchange their contact details and know more about their buddies. The main objectives of this program were to build up good relationships between Thai students and international students, as well as to provide opportunities for students to practice their English conversation skills.
