ICT Mahidol organized an online training, “SMART with ICT: Flat Graphic Design with PowerPoint”

On 26th May 2020 – The Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol) led by Dr. Sujika Srinuntakul, Deputy Dean for Digital Media Technology and Training Service, organized an online training via Facebook live, “SMART with ICT: Flat Graphic Design with PowerPoint”.

The “Flat Graphic Designs” is a two-dimensional illustration which features a minimalistic design, open space, crisp edges and bright colours. It also emphasises usability. The training topics included, Reducing amount of unnecessary graphics, Drafting graphics, Merging and splitting shapes with shape builder tool, and Coloring the flat design. At the end, participants got chances to create their own style of flat design graphic.

The event was very successful with a total of 228 participants, which comprised of 13 Mahidol University students, 115 Mahidol University staff and 100 other interested persons.
