ICT Mahidol organized an online workshop on "Getting to Know Relational Database and SQL"

During 24 - 25 June 2020 – the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol) led by Dr. Wudhichart Sawangphol, Assistant Dean and Instructor, together with Dr. Jidapa Krajangka, Instructor, and Miss Siriporn Rojanakosol, Computer Technical Officer, organized an online workshop via Webex Meetings, "Getting to Know Relational Database and SQL" at ICT Building, Mahidol University, Salaya campus.

In recent years, Information Systems, especially Data Management, are very crucial for organizations. With good data management, we can collect, store, organize, and process data more effectively. Therefore, ICT Mahidol held this workshop, with an aim to educate all participants about "Relational Database and SQL", and hope that they can apply the knowledge to improve productivity in their organizations.

The event was attended by 8 participants: 2 staff from Department of Surgery (Urology), Faculty of Medicine, Siriraj Hospital, and 6 interested persons from Bansomdejchaopraya Rajabhat University, Department of Computer, the Faculty of Science, Silpakorn University, Sanam Chandra Palace campus, and leading private companies.
