Research Interests

Information Theory, Information Retrieval, Computer Security

Professional Experience

Associate Professor, Computer Science, Faculty of ICT, since 2000.
Assistant Professor, Computer Science Faculty of Science, 1984 – 2000.
Director, Mahidol University Computing Center, 1999 – 2003.
Chairman, Department of Computer Science, Faculty of Science, 1997 - 1999.

Education

Doctor of Philosophy (Information Engineering), Shinshu University, Japan, 1991 – 1994.
Master of Science (Applied Math.), Mahidol University, Thailand, 1978 – 1980.
Bachelor of Education (Mathematics), Srinakarinwirot University, Thailand, 1976 – 1978.
