ICT Mahidol held an online workshop, “Composition and Designing Modern Poster with Adobe InDesign, Batch 1”

During 29 – 30 July 2021 – the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), led by Miss Duanghathai Pangjikle, Audio-Visual Technical Officer (Senior Professional Level), and Miss Kuneekorn Inpapean, Audio-Visual Technical Officer, held an online workshop, “Composition and Designing Modern Poster with Adobe InDesign, Batch 1”. At the beginning, Dr. Sujika Srinuntakul, Deputy Dean for Digital Media Technology and Training Services gave a warm welcome speech to all participants via Webex Meetings.

Adobe InDesign is a desktop publishing and page layout designing software application. It can be used to create projects such as posters, flyers, brochures, magazines, newspapers, presentations, books, and eBooks. During the workshop, the guest speakers laid the foundation

on how to use the basic features of the program such as layout and composition. The participants were encouraged to do hands-on practice on how to use color to convey information and how to export files in different formats.
