ICT Mahidol received an outstanding level certificate from the “Workplace Safety Award 2021” for 5 consecutive years, held by Department of Labor Protection and Welfare

The Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), received an outstanding level certificate, from the “Workplace Safety Award 2021”, held by Department of Labor Protection and Welfare, for 5 consecutive years.

The objectives of this award were to cultivate cultures of safety and occupational health to all students in order to prepare them for their future work, to instill such cultures in all sectors in Thailand, as well as to encourage nationwide educational institutions to follow the criteria of the workplace safety to develop a safe-environment for their students.
