ICT Mahidol held an “Online introduction session of its 2 programs: ICT International program and DST Thai program, Academic Year 2022”

On 20 September 2021 – the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), led by Dr. Pawitra Liamruk, Deputy Dean for Academic Administration, and Acting Deputy Dean for Organizational Communication and Engagement, together with Dr. Siripen Pongpaichet, Assistant Dean of the Information Systems, held an “Online introduction session of its 2 programs: Information and Communication Technology (ICT, International Program) as well as Digital Science and Technology (DST, Thai Program), Academic Year 2022”, for counselors from high schools and vocational schools in Thailand via Webex Meetings

At the beginning, Dr. Pawitra Liamruk gave a warm welcome speech and introduced ICT program to all participants. It was then followed by presentation of DST program by Dr. Siripen Pongpaichet. During the session, both instructors addressed important information including teaching and learning of each program, admission criteria (Direct admissions and TCAS) to all counselors. In addition, there was a Q&A session where the counselors asked questions and exchange their ideas on the admission criteria with the instructors.
