ICT Mahidol Online Roadshow at Sukhondheerawidh School via Microsoft Teams

24 September 2021 - The Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol) led by Dr. Pawitra Liamruk, Deputy Dean for Academic Administration and Acting Deputy Dean for Organizational Communication and Engagement gave a presentation on “IT Challenges in Life & Your Future Achievements @ ICT Mahidol” to grade 7 - 12 students and their parents at Sukhondheerawidh School via Microsoft Teams.

Dr. Pawitra Liamruk started the presentation with the special talk on “IT Challenges in Life: Top 10 Technology Trends in 2022 and beyond” which aimed to give knowledge about current and future technology trends to students and their parents. Then, the information about the Faculty’s undergraduate programs; B.Sc. in Information and Communication Technology (ICT, International Program) and B.Sc. in Digital Science and Technology (DST, Thai Program), as well as admission schedules in the academic year 2022 were presented to all participants under the topic “Your Achievements @ ICT Mahidol” as well. Overall, more than 100 students and parents participated in this online event.
