ICT Mahidol staff served as a guest speaker on an online training, “Creating an Interactive Media with Canva on Smartphone / Tablet” for instructors and staff of Faculty of Nursing

On 22 September, 2021 – Dr. Sujika Srinuntakul, Educator, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol) served as a guest speaker on an online training, “Creating an Interactive Media with Canva on Smartphone / Tablet” for instructors and staff of Faculty of Nursing, Mahidol University via Microsoft Teams.

The Faculty of Nursing organized this training with the aims to develop the Digital Technology skills of its instructors and staff, as well as to increase their potential in producing media to support their works in digital era: teaching and learning, academic services, public relations. During the training, participants learned how to create media using Canva application and respectively be able to create their own media.
