ICT Mahidol served as guest speakers on the online training, “Easy Video Editing”

On 17 November, 2021 – Dr. Sujika Srinuntakul, Educator, together with Miss Sirirat Wittayakunsatid, Audio-Visual Technical Officer (Design and Website) of the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), served as guest speakers on the online training, “Easy Video Editing” for 2,400 first year students who enrolled for the course “MUGE100: General Education for Human Development” via Facebook Live (Fan page: MUGE100, Academic Year 2021)

The goal was to teach students how to plan and frame the entire story of a movie or clip (Story Board) for editing. It also aimed to provide some techniques in using a camera, positioning and angles, and some techniques for editing with various effects.

The first part of the training consisted of a lecture on how to plan and do a story board. In the latter section, participants got chances to practice shooting a short video clip, and eventually edit it by using the "VLLO" application.
