ICT Mahidol organized “ICT Mahidol Online Short Course: Basic Programming Python” for high school students

On 19 January 2022 - the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), led by Dr. Tipajin Thaipisutikul and Dr. Jidapa Kraisangka, instructors, together with first year students from ICT Mahidol as teaching assistants: Mr. Patthawee Panplab, Mr. Sirichet Nontichan, Mr. Amonchai Srichaichu, and Mr. Yuttapichai Promnok, organized “ICT Mahidol Online Short Course: Basic Programming Python” for 31 Thai and international high school / vocational and high vocational students via Webex Meetings.

The objectives of the "ICT Mahidol Online Short Course" were to provide students with opportunities to participate in online mock classes of the Faculty of ICT and to develop students' IT skills. Furthermore, workshops will be held once a month as part of the project, "ICT Mahidol Online Short Course." The next workshop on " Basic Programming: C Language" will be held on Friday, February 11, 2022.
