ICT Mahidol Dean joined as witness in an MoU Signing Ceremony between Mahidol University and Siam Commercial Bank PCL in developing “Mahidol SCB Health Application”

On 13 January 2022 – Dr. Pattanasak Mongkolwat, Dean of the Faculty of Information and Communication Technology, Mahidol University, (ICT Mahidol), joined as a witness in an MoU Signing Ceremony between Mahidol University and Siam Commercial Bank PCL (SCB) in developing “Mahidol SCB Health Application”. At the beginning of the ceremony, Prof. Banchong Mahaisavariya, President of Mahidol, addressed the cooperation of Mahidol University in supporting academic data to SCB in this project. Then, Mr. Charlie Asawatheerathum, Senior Executive Vice President Chief Executive Officer, Digital Banking Group Siam Commercial Bank Public Company, mentioned collaboration between SCB and Mahidol University. After that, there was a signing ceremony of both parties where Assoc. Prof. Sarayut Supapannachart, Executive Assistant to the President on Asset Management, Mahidol University, Mr. Prin Trakulhoon, Lead, Health Platform Digital Platforms and Products Function, Siam Commercial Bank, joined as witnesses. Finally, group photos were taken at the Faculty of ICT's Innovative Space, Mahidol University, Salaya campus.

Since the preparation day to the event day, all visitors entering the ICT Building have complied with the COVID-19 control measures, such as submitting vaccination information, conducting ATK, and obtaining permission from Phutthamonthon District, which is in accordance with the University guidelines and announcement of Nakhon Pathom Province in all respects.
