ICT Mahidol organized “ICT Mahidol Online Short Course: Basic Programming C Language” for high school students

On 11 February 2022 - the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), led by Dr. Pilailuck Panphattarasap, and Dr. Akara Supratak instructors, together with first year students from ICT Mahidol as teaching assistants: Mr. Patthaweechan Panplab, Mr. Sirichet Nontichan, Mr. Amonchai Srichaichu, and Mr. Yuttapichai Promnok, organized “ICT Mahidol Online Short Course: Basic Programming C Language” for around 30 Thai and international high school / vocational and high vocational students via Webex Meetings.

The objectives of the "ICT Mahidol Online Short Course" were to provide students with opportunities to participate in online mock classes of the Faculty of ICT and to develop students' IT skills. Furthermore, workshops will be held once a month as part of the project, "ICT Mahidol Online Short Course." The next workshop on "Monster Hunter: The Quest of Software Bug Hunting" will be held on Friday, March 18, 2022.
