### ICT Mahidol organized the 13<sup>th</sup> Job & Education Fair @ ICT Mahidol

On 2 February 2022 – the Faculty of Information and Communication Technology, Mahidol University, (ICT Mahidol) organized the 13<sup>th</sup> Job & Education Fair @ ICT Mahidol virtually via Gather.Town. At the beginning of the event, Dr. Pattanasak Mongkolwat, the Dean, along with Dr. Pawitra Liamruk, Deputy Dean for Academic Administration and Acting Deputy Dean for Organizational Communication and Engagement, addressed a warm welcome speech to all companies’ representatives and students.

The “Job and Education Fair” served as a bridge between students and companies for job applications and intern recruitment. In addition, there were also educational institutes which shared crucial information about study abroad to the students. This year, more than 70 IT leading companies and educational institutes attended the event.

The event was divided into 10 zones as follows:

1. Education Zone
2. Banking & Finance Zone
3. Network & Database Zone
4. Security Zone

5. Gamification & Digital Media Zone
6. Alumni Business Zone
7. Consulting & IT Services Zone
8. Software & E-Commerce Zone
9. Retail & Other Software Business Zone
10. Other business and Startup Zone
