ALPHA TECH
Team member

Chansida makaranond (Toey)
4th year, Software Engineering Student
Mahidol University

Soksedtha Ly (GT)
4th year, Computer Science Student
Mahidol University

Natchanon Ungudomsin (Non)
3rd year, Computer Engineering Student
Pennsylvania State University

The Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), would like to express our congratulations to the members of Team AlphaTech: Miss Chansida Makaranknd (Software Engineering Track), Mr. Sokedtha Ly, (Computer Science Track), 4th year student of ICT International Program, the Faculty of ICT, Mahidol University, as well as Mr. Natchanon Ungudomsin), a student of Pennstate University, USA, on winning the 1st runner up from Hackathon: Code Their Dreamsx42 Bangkok Ep.2 Intelligence Virtual Hack held last 27 February, 2022. The competition is under the challenge: “Next Normal – Real Time Intelligence (Next normal after covid-19)”, sponsored by 42Bangkok, an affiliated institution of King Mongkut's Institute of Technology Ladkrabang (KMITL).

The project of Team AlphaTech is titled "Vaccine Now", a one-stop service platform which aims to promote vaccination and good health for Thai people; allowing them to live healthy and safe from epidemics, as well as build immunity through the use of machine learning to analyze

data and provide personalized recommendations so that Thai people receive accurate and reliable information.

The Faculty of ICT would like to congratulate all members of Team AlphaTech on their tremendous success.
