Congratulations to ICT Mahidol students who won an Honorable Mention Prize from 24ᵗʰ National Software Contest (NSC 2022)

On 14 March 2022 – The "Virtual Shoulder Arthroscopy Training", a project by the fourth-year students of Bachelor of Science in Information and Communication Technology (ICT), Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), consisted of Mr. Anakin Patcharothai, Mr. Rattanunt Kumpeerasart, and Mr. Srithpong Udommongcolkit, supervised by Asst. Prof. Dr. Mores Prachyabrued, won an Honorable Mention Prize in the Category: Program for Education and Learning Support from 24ᵗʰ National Software Contest (NSC 2022), organized by the Ministry of Higher Education, Science, Research and Innovation.

The National Software Contest (NSC) aims to support undergraduate students in developing their programming skills, creative thinking skills, and initiative skills. With these skills and knowledge in programming, students are expected to be an important part of the workforce to drive Thailand's society in the near future. Furthermore, the NSC 2022 aims to provide competitive platform for young people who are talented in computers and programming to show their competence, as well as to get a variety of practical prototype software from the competition.
