ICT Mahidol instructor served as the guest speaker at an online seminar under the topic “Innovation for Change, Turning Crisis into Opportunity: AI and its Applications in the Thai Rice Industry”

On 26 April 2022 - Assoc. Prof. Dr. Worapan Kusakunniran, instructor, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), served as the guest speaker at an online seminar under the topic “Innovation for Change, Turning Crisis into Opportunity: AI and its Applications in the Thai Rice Industry”, organized by Mahidol Industry Connection Center: MICC, Institute for Technology and Innovation Management (INT), via Zoom and Facebook Live.

During the seminar, Assoc. Prof. Dr. Worapan Kusakunniran shared the concept of AI technology, the initial idea of applying AI technology in agriculture, the use of AI technology to inspect the rice seed quality, and the application of AI technology in other tasks and case studies (Success Case) to all entrepreneurs and interested persons.
