ICT Mahidol organized “ICT Mahidol Online Short Course: Diving into Data with SQL” for high school students

On 22 April 2022 - the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), led by Dr. Siripen Pongpaichet, instructor, together with teaching assistants: Miss Woramon Chareonsuk and Mr. Patipat Chewprecha, Computer Technical Officers, Information and Systems Division, organized “ICT Mahidol Online Short Course: Diving into Data with SQL” for 18 Thai and international high school students via Gather.Town.

The objectives of the "ICT Mahidol Online Short Course" were to provide students with opportunities to participate in online mock classes of the Faculty of ICT and to develop students' IT skills. Furthermore, workshops will be held once a month as part of the project, "ICT Mahidol Online Short Course." The next workshop in the AI field will be held in May 2022.
