ICT Mahidol instructor served as a guest speaker in an online seminar, “A.I. Connect” under the topic “Mahidol Healthcare AI and Business Opportunities”

On 3 May 2022, Assoc. Prof. Dr. Worapan Kusakunniran, instructor at Mahidol University's Faculty of Information and Communication Technology (ICT Mahidol), participated as a guest speaker who talked about his research experience, in an online seminar, "A.I. Connect," on the topic "Mahidol Healthcare AI and Business Opportunities" via Zoom Cloud Meetings.

During the event, Assoc. Prof. Dr. Worapan Kusakunniran and Asst. Prof. Dr. Veeraya Paocharoen, Directors of Private Accelerated Research and Innovation Centers under Phyathai Hospitals Group and Paolo Hospitals Group, presented Healthcare AI and Business Opportunities to all participants. Furthermore, Mr. Rachot Tanthasuraseth served as MC on this occasion.
