

## Seminar News

ICT Mahidol staff served as a guest speaker on an online training under the project to support and prevent disease for the informal workers

On 28 May 2022 – Miss Sirirat Wittayakunsatid, Audio-Visual Technical Officer (Design and Website) of the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol) served as a guest speaker on an online training, “Creating Media on a Mobile Phone to Support Disease Promotion and Prevention” for staff of the National Health Security Office (NHSO) and informal workers, held by the National Health Security Office (NHSO) via Zoom Meeting.

During this training, all participants learned basic video filming and editing on their phones / tablets using the VLLLO application.
