

## Seminar News

ICT Mahidol staff served as a guest speaker on an online training, “Making and Editing Video on Mobile / Tablet with VLLO”

On 17 June 2022 – Miss Sirirat Wittayakunsatid, Audio-Visual Technical Officer (Design and Website) of the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol) served as a guest speaker on an online training, “Making and Editing Video on Mobile / Tablet with VLLO” for instructors and staff of the Faculty of Public Health, Mahidol University. On this occasion, Asst. Prof. Dr. Pichitpong Soontornpipit, Deputy Dean of the Faculty of Public Health addressed a warm welcome speech and greeted all participants at Room 1911, Building 1, the Faculty of Public Health, Mahidol University as well as broadcasted via Webex Meetings.

The objectives of this training were to develop the Digital Technology skills of instructors and staff of the Faculty of Public Health, as well as to increase their potential in producing media to support their work including teaching and learning, academic services and public relations.
