ICT Mahidol organized “ICT Mahidol Online Short Course: AI Chatbot in Action” for high school students via Webex Meetings

On 19 July 2022 - the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), organized “ICT Mahidol Online Short Course: AI Chatbot in Action” for 23 high school students via Webex Meetings. On this occasion, Mr. Chanakarn Chinchatchawal, CEO and Founder of Robolingo Co., Ltd. (Zwiz.AI), ICT Alumnus #Batch 7, served as the keynote speaker who shared knowledge about AI Chatbot Overview, AI Chatbot Design Workshop, and LINE Bot Implementation Workshop.

The objectives of the "ICT Mahidol Online Short Course" were to provide students with opportunities to participate in online mock classes of the Faculty of ICT and to develop students' IT skills. Furthermore, workshops will be held once a month as part of the project, "ICT Mahidol Online Short Course." The next workshop will be on "HCI & Design Thinking."
