ICT Mahidol presented its international program at Thailand Education Information Sharing Virtual Program 2022

On 16 July 2022, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), led by Mr. Stephen Edward Smith, Foreign Language Instructor and Student and Alumni Engagement Officer, together with Mr. Thar Htet Aung, a student of Master of Science in Computer Science, presented ICT Mahidol international programs including Bachelor of Science in Information and Communication Technology, Master of Science in Computer Science, Master of Science in Game Technology and Gamification, Master of Science in Cyber Security and Information Assurance, and Doctor of Philosophy in Computer Science at Thailand Education Information Sharing Virtual Program 2022 via Zoom, as well as simultaneously live streamed via Facebook Page: AMAUT2016.

The "Thailand Education Information Sharing Virtual Program 2022" is an educational guidance event organized by the Association of Alumni from Universities in Thailand (AMAUT). Its goals were to provide opportunities for Thai universities to present their international programs,

discuss and advise on their courses, as well as explain the recruitment and application process to people/students from Myanmar who are interested.
