

**MUICT  
ENGLISH  
PROFICIENCY  
GRADUATION  
REQUIREMENT 2020**

# English Proficiency Exam

## What ?

The Faculty of ICT has established graduation criteria for students of the Bachelor of Science in ICT (International Program).

Part of these criteria includes passing an English Proficiency Exam in order to ensure our students have the appropriate English level at graduation.

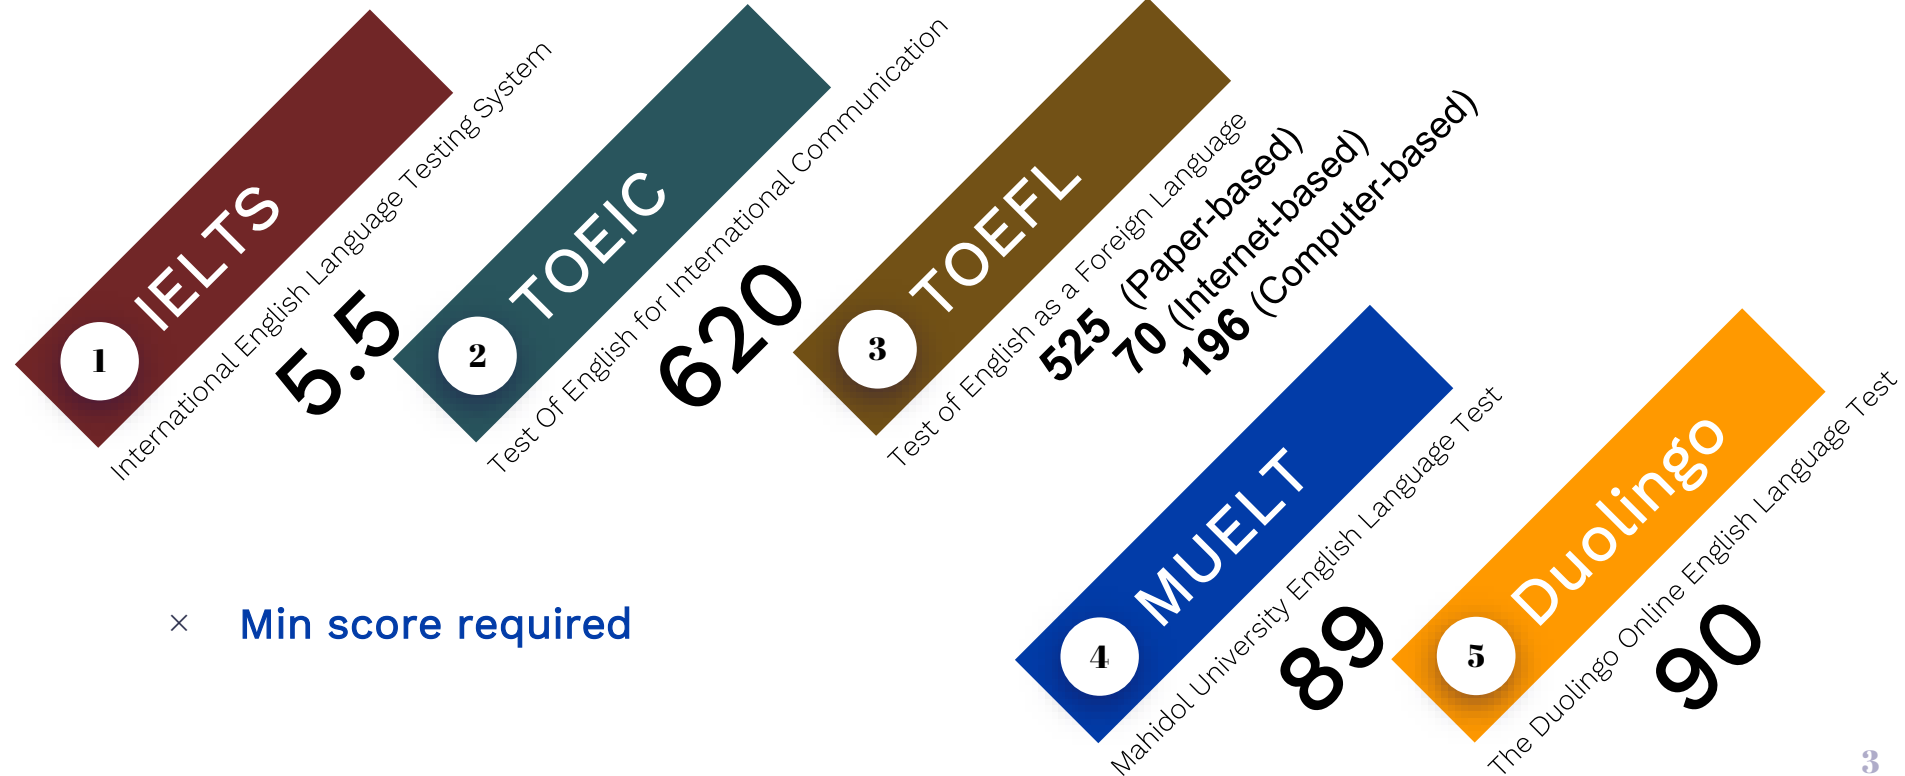

The Faculty of ICT allows scores from four major internationally accepted English proficiency exams, namely **TOEIC, IELTS, TOEFL, and Duolingo**, as well as the **MU-ELT**, which measure the minimum level of English necessary for ICT graduation.

## Thus!

**All MUICT students are required to complete this for graduation**

# English Proficiency Test Scores for Graduation

- × Now we accept English Proficiency scores from 1st, 2nd, 3rd & 4th year students as follows:

- × Min score required

# How to submit score
