ICT Mahidol organized the "2022 Fire Drill & Evacuation Training" for its staff and students

On 17 August 2022, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), led by Lect. Snit Sanghlao, Assistant Dean of Engineering and Infrastructure and Director of the Fire Prevention and Suppression Plan, together with the Occupational Safety, Health and Environment Working Group, organized the "2022 Fire Drill & Evacuation Training" for its staff and students at ICT Building, Salaya Campus. On this occasion, staff from Center for Occupation Safety, Health and Environment Management (COSHEM), Library and Knowledge Center and Salaya Sub-District Administration Organization were present to observe the situation.

The "2022 Fire Drill & Evacuation Training" was one of the Working Group's annual activities, with the goal of educating staff and students about workplace safety, health, and environment, as well as allowing them to practice appropriate fire evacuation. Furthermore, this activity was in accordance with Mahidol University's Announcement on Fire Prevention and Suppression Measures, 2020.
