ICT Mahidol, together with Kanchanapisek Wittayalai Nakhon Pathom School (Pratamnak Suankularb Matthayom), organized “KPN-MUICT Camp: IoT for Data Science” for the high school students

On 6 August 2022, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), together with Kanchanapisek Wittayalai Nakhon Pathom School (Pratamnak Suankularb Matthayom), organized “KPN-MUICT Camp: IoT for Data Science” for their high school students. On this occasion, Lect. Pagaporn Pengsart, Deputy Dean for Engineering and Systems, ICT Mahidol, as well as Dr. Kamolchanok Parkpoom, Head of Instructional Supervision, Kanchanapisek Wittayalai Nakhon Pathom School (Pratamnak Suankularb Matthayom), gave welcome and opening speeches to all participants. After that, students from Kanchanapisek Wittayalai Nakhon Pathom School handed-over decorated pedestal trays to Lect. Pagaporn Pengsart, Deputy Dean for Engineering and Systems and Asst. Prof. Dr. Thitinan Tantidham, at Innovative Space, ICT Building, Salaya Campus.

The “KPN-MUICT Camp: IoT for Data Science”, was an activity under the Memorandum of Understanding (MoU), which both parties have signed. The goal of this activity was to improve students’ IT abilities so that they could apply their knowledge and skills to develop their thinking process. Furthermore, teaching and learning format during the activity were conducted on Project-Based Learning and Problem-Based Learning. It was attended by 50 high school students from Kanchanapisek Wittayalai Nakhon Pathom School and was held on August 6 – 7, 2022, at LAB106, ICT Building, Salaya Campus.
