ICT Mahidol organized “ICT Mahidol Online Short Course: HCI & Design Thinking” for high school students

On 29 August 2022 - the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), organized “ICT Mahidol Online Short Course: HCI & Design Thinking” for 24 high school students via Gather.Town. On this occasion, Dr. Pawitra Liamruk, Deputy Dean for Academic Administration and Acting Deputy Dean for Organizational Communication and Engagement, served as the guest speaker who shared her knowledge on creative UX design.

The objectives of the "ICT Mahidol Online Short Course" were to provide students and vocational students with opportunities to participate in online mock classes of the Faculty of ICT and to develop students' IT skills. Furthermore, workshops will be held once a month as part of the project, "ICT Mahidol Online Short Course."
