ICT Mahidol Roadshow at Horwang Pathumthani School

On 19 August 2022 – The Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), led by Dr. Pawitra Liamruk, Deputy Dean for Academic Administration and Acting Deputy Dean for Organizational Communication and Engagement, gave a presentation about the Faculty's undergraduate programs; B.Sc. in Information and Communication Technology (ICT International Program) and B.Sc. in Digital Science and Technology (DST Thai Program) to approximately 300 Grade 12 students at Horwang Pathumthani School.

On this occasion Dr. Pawitra Liamruk, started the presentation with the trends of information technology, as well as the need for competent labor with information technology skills corresponding with the necessity of education on information technology. Then, he described the Faculty of ICT's undergraduate curricula; ICT International Program and DST Thai Program, extracurricular activities, learning and teaching arrangement, teaching and learning environment, international opportunities, national and abroad competition opportunities, career path, average salary, admission of the academic year 2023, as well as ICT Mahidol contact channels. Overall, the students paid much attention to the presentation.
