ICT Mahidol organized “Mahidol Library: The Roadshow 2022” for freshmen students of Academic Year 2022

On 14 September 2022 – freshmen students of B. Sc. in Information and Communication Technology (ICT International Program) and B. Sc. in Digital Science and Technology (DST Thai Program), participated in “Mahidol Library: The Roadshow 2022”. On this occasion, M.L. Ratikorn Varavudhi, Information Resource Analyst, Mr. Sarun Thamtuksin, Public Relations Officer, as well as Ms. Atittaya Subsin, Information Resource Analyst, Library and Knowledge Center, Mahidol University, served as guest speakers who shared their knowledge about the use of library services such as basic information of the library, library services, Member's right to use the service, membership renewal, online borrowing and renewing books, online searching library resources through Mahidol Library Catalogs (OPAC), introduction to electronic resource retrieval, and regulations of the library at room IT331, 3rd floor, ICT Building, Salaya Campus.

The "Mahidol Library: The Roadshow 2022" was held by the Library and Knowledge Center, Mahidol University, with the goal of providing proper knowledge on library resources and services, as well as allowing students to use various tools to effectively access the library's information resources, which is regarded as the cornerstone of developing students' searching potential for their future research.
