ICT Mahidol Roadshow at Sukhondeerawidh School

On 16 September 2022 – The Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), led by Dr. Pawitra Liamruk, Deputy Dean for Academic Administration and Acting Deputy Dean for Organizational Communication and Engagement, gave a presentation about the Faculty's undergraduate programs; B.Sc. in Information and Communication Technology (ICT International Program) and B.Sc. in Digital Science and Technology (DST Thai Program) to Grade 12 students at Sukhondeerawidh School.

On this occasion, Dr. Pawitra Liamruk, started the presentation with the trends of information technology, as well as the need for competent labor with information technology skills corresponding with the necessity of education on information technology. Then, she described the Faculty of ICT's undergraduate curricula; ICT International Program and DST Thai Program, extracurricular activities, learning and teaching arrangement, teaching and learning environment, international opportunities, national and abroad competition opportunities, career path, average salary, as well as admission criteria of the academic year 2023. Overall, the students paid much attention to the presentation. After the presentation, some students asked more information about ICT-Portfolio round and the guidelines for making an interesting portfolio.
