ICT Mahidol Roadshow at Assumptionsuksa School

On 15 September 2022 – The Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), led by Asst. Prof. Dr. Boonsit Yimwadsana, ICT Mahidol Instructor, together with Organizational Communications Staff, gave an online presentation about the Faculty’s undergraduate programs; B.Sc. in Information and Communication Technology (ICT International Program) and B.Sc. in Digital Science and Technology (DST Thai Program) to Grade 12 students at Assumptionsuksa School via Google Meet.

On this occasion, Asst. Prof. Dr. Boonsit Yimwadsana started the presentation with the trends of information technology, as well as the need for competent labor with information technology skills corresponding with the necessity of education on information technology. Then, he described the Faculty of ICT’s undergraduate curricula; ICT International Program and DST Thai Program, extracurricular activities, learning and teaching arrangement, teaching and learning environment, international opportunities, national and abroad competition opportunities, career path, and average salary. After that, information about scholarship, and admission criteria of the academic year 2023 were presented to all students by Organizational Communications Staff. Overall, the students paid much attention to the presentation.
