ICT Mahidol welcomed the teachers and grade 10 – 12 students of Assumption College during their visit

On 24 November, 2022 - the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol) welcomed the teachers and approximately 70 grade 10 - 12 students of Assumption College during their visit to the faculty. Dr. Pattanasak Mongkolwat, the Dean, gave them a warm welcome speech on this occasion. Following that, all students were given the opportunity to participate in theoretical and operational training on "Basic Progamming: Python" by Dr. Jidapa Kraisangka, Assistant Dean for Academic and Curriculum Development, in collaboration with Dr. Tipajin Thaipisutikul, Assistant Dean for Academic Services and Technology Transfer, at LAB 104, ICT Building Salaya Campus.

After the training, Dr. Pisit Praiwattana, Assistant Dean for Organizational Communications and Media Technology, gave a presentation about the overall information of the B.Sc. in Information and Communication Technology (ICT International Program) and B.Sc. in Digital Science and Technology (ICT Thai Program) including student activities, international opportunities, as well as admission criteria for academic year 2023.

Finally, teachers and students from Assumption College were given a tour of the ICT Building, which included a co-working space, a smart classroom, a computer laboratory, the Grand Auditorium, and Bits & Bytes Hall.
