ICT Mahidol together with Deloitte Consulting Co., Ltd. organized a special talk on “Discover Deloitte Consulting”

On 4 November 2022 – the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), together with Deloitte Consulting Co., Ltd., organized a special talk on “Discover Deloitte Consulting” for ICT Mahidol instructors and staff. On this occasion, Dr. Pawitra Liamruk, Program Chair of B.Sc. in Information and Communication Technology (ICT International Program), delivered a welcome speech to a team from Deloitte Consulting Co., Ltd. at Room AI 2, ICT Building, Salaya Campus, as well online via Webex Meetings.

During the session, Mr. Gobind Rattivarakorn, Director, provided an overview of Deloitte Consulting Co., Ltd.; Mr. Veera Palsingh, Senior Manager (an M.Sc. in Computer Science student at ICT Mahidol), presented the Technology Trends; and Ms. Meng Jie Tan, Talent Acquisition Manager, provided information on Deloitte Career of Choice to all participants. At the end of the session, the two parties also had a collaborative discussion about preparing students for the IT consulting career path.

Deloitte Consulting Company Limited is a business consulting company. It is a subsidiary of Deloitte, a multinational company that specializes in corporate and business services, covering Audit & Assurance, Consulting, Financial Advisory, Risk Advisory and Tax & Legal Services to both public and private sectors. This year, Deloitte was ranked as the 500 most valuable companies in the world by BrandFinance (BrandFinance Global 500).
