## ICT Mahidol organized the "Loy Krathong ICTxDST"

On 8 November 2022 – Miss Penpitchapa Pantaraksakul, a second-year ICT International Program student who has received One-Year Partial Scholarship: Student Activities, together with the Office of Academic Administration, as well as the ICT Application Committee for Art and Culture Preservation and Community Engagement, organized the "Loy Krathong ICTxDST" at the Innovative Space, 1st floor, ICT Building, Salaya Campus. During the event, an online dress competition via Instagram was held, where contestants dressed up in Loy Krathong theme. Additionally, all participants were encouraged to use Loy Krathong AR Filter via Facebook and Instagram.

The objective of the "Loy Krathong ICTxDST" was to encourage ICT Mahidol students and staff to preserve Thai cultural tradition, "Loy Krathong Festival", while also fostering positive relationships between students in both programs: B.Sc. in Information and Communication Technology (ICT International Program) and B.Sc. in Digital Science and Technology (DST Thai Program).
