### ICT Mahidol organized a special talk on “NFT and Gaming Industrial Revolution”

On 16 November 2022 – the Faculty of Information and Communication Technology, Mahidol University, led by Lect. Kanrawi Kitkhachonkunlaphat, instructor, organized a special talk on “NFT and Gaming Industrial Revolution” for 1<sup>st</sup> - 3<sup>rd</sup> year students of B.Sc. in Information and Communication Technology (ICT International Program), and B.Sc. in Digital Science and Technology (DS Thai Program) at LAB 103, ICT Building, Salaya Campus.

On this occasion, Miss Thunjira Srilaveevilas, General Manager, YGG SEA, served as the guest speaker who shared her knowledge on NFT (Non-Fungible Token), a unique digital identifier that cannot be copied, substituted, or subdivided, which is also recorded in a

blockchain that can be used to certify its authenticity and ownership, as well as changes in the gaming industry.
