ICT Mahidol organized an operational training on “Agile Organization Enterprise Architecture”

On 19 November 2022 – the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), organized an operational training on “Agile Organization Enterprise Architecture” for 107 instructors and other interested people at Bits & Bytes Hall, ICT Building, Salaya Campus.

On this occasion, Mr. Danairat Thanabodithammachari, Digital Transformation and Enterprise Architecture, served as the guest speaker. Various topics were covered during the training, including the Importance of Agile Organization, Elements for Creating a Modern Corporate Strategy, Practical Agile, and Practical Enterprise Architecture. He also shared case studies and results from Enterprise Architecture with all participants: Digital Enterprise Blueprint, Business Architecture, Enterprise Service Design or Enterprise Graded Service Design, Data Architecture, Data Management, Technology Architecture, Digital Enterprise Roadmap, and Digital Corporate Governance.
