ICT Mahidol, together with Department of Transfusion Medicine, Faculty of Medicine Siriraj Hospital, organized the “Blood Donation for Siriraj Hospital’s Patients”

On 30 November 2022 – the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), together with Department of Transfusion Medicine, Faculty of Medicine Siriraj Hospital, organized the “Blood Donation for Siriraj Hospital’s Patients” at Bits & Bytes Hall, 4th floor, ICT Building, Salaya Campus. On this occasion, many MU staff and students, as well as general public, donated blood totaling 57 units or 25,650 CC.

Due to the COVID-19 pandemic, Siriraj Hospital's blood bank is running low on supplies. As a result, this activity was organized to assist in the collection of blood for Siriraj Hospital's severe patients.
