ICT Mahidol welcomed executives, instructors and students from Assumption Convent Silom School for their New Year 2023 greetings visit

On 9 January 2023 – Dr. Pattanasak Mongkawat, Dean of the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), together with Dr. Tipajin Thaipisutikul, Assistant Dean for Academic Services and Technology Transfer, welcomed Assumption Convent Silom School representatives, including Sr. Ramonde Pisetsak, the Director, teachers and students for a New Year 2023 greetings visit.

On this occasion, 9-12 graders from Assumption Convent Silom School, the students who attended the “Coding for a Better World: Coding Smart Project for UN Sustainable Goals with Micro:bit” organized by the Faculty of ICT on last April 2022, showed “Robotic Performance” to deliver happiness and blessings on the occasion of the Feast of the Nativity and the New Year 2023 to ICT Mahidol instructors and staff at Innovative Space, the Faculty of ICT, Salaya.
