ICT Mahidol staff served as the guest speaker on “Basic Usage of Daily Social Media” at Chon Buri Institution for Female Offender

On 26 January 2023 – Miss Sirirat Wittayakunsatid, Audio-Visual Technical Officer, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), served as the guest speaker on the topic “Basic Usage of Daily Social Media” for female prisoners at Chon Buri Institution for Female Offender.

This seminar was held by students of New Era Leadership in the Democratic Program, Batch 12, King Prajadhipok's Institute, under the "Project to Promote Digital Skills for Life and Occupation for Prisoners", with the main concept, "Reducing Inequality in Thai Society". Its goal is to give prisoners opportunities and to prepare them for life and work after they are released.
