ICT Mahidol held the IT seminar on “Designing Infographic by Using Piktochart and PREZI, Batch 29”

During 30 – 31 January 2023 – the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), led by Dr. Sujika Srinuntakul, as well as Miss Duanghathai Pangjikee, staff of Audio Visual and Digital Learning Media Development Division held the IT seminar on “Designing Infographic by Using Piktochart and PREZI, Batch 29” in Room A2, the Faculty of ICT, Mahidol University, Salaya.

This hands-on seminar aimed to highlight techniques for filtering large amounts of information, such as figures and statistical data, in order to create a clear infographic work, to teach all participants how to use the Piktochart and PREZI programs to create infographic and animation infographics, as well as to provide all 12 participants with useful knowledge that they can apply in their daily work.
