ICT Mahidol hosted the "ICT Mahidol Online Short Course: Diving into Data with SQL"

On 10 February 2023 – the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), hosted the "ICT Mahidol Online Short Course: Diving into Data with SQL" for high school students via Gather.Town. On this occasion, Dr. Siripen Pongpaichet, instructor, together with Mr. Patipat Chewprecha, Computer Technical Officers, Information and Systems Division, served as the keynote speakers who share their knowledge on Structured Query Language (SQL) in data management. In addition, there was a workshop for all students.

The objectives of the "ICT Mahidol Online Short Course" were to provide students with opportunities to participate in online mock classes of the Faculty of ICT and to develop students' IT skills. Furthermore, workshops will be held once a month as part of the project, "ICT Mahidol Online Short Course." For more information, please visit our social media channels: Facebook Page: Faculty of ICT, Mahidol University, and Line Official Account: @ictmahidol.
