ICT Mahidol staff served as a keynote speaker on “Making and Editing Video on Smartphone / Tablet with VLLO” and “Creating an Interactive Media with Canva on Smartphone / Tablet”

On 23 February 2023 – Miss Sirirat Wittayakunsatid, Audio-Visual Technical Officer, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), served as a guest speaker on “Making and Editing Video on Smartphone / Tablet with VLLO” and “Creating an Interactive Media with Canva on Smartphone / Tablet” for the 4th year students, Bachelor of Arts Program in English (Special Program), the Faculty of Liberal Arts and Science, Kasetsart University, Kamphaeng Saen Campus.

The goal of this training was to provide students with a basic understanding of IT prior to their working, enabling them to apply this knowledge to their future work. During the training, students learned the fundamentals of both VLLO and Canva: making or editing video

with VLLO, as well as creating media with Canva. They also learned how to create their own video clips on a mobile or tablet device.
