ICT Mahidol held a workshop on “Composition and Designing Modern Poster with Adobe InDesign, Batch 2”

On March 29, 2023 – the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), led by Miss Duanghathai Pangjikle, Audio-Visual Technical Officer (Senior Professional Level), held a workshop on “Composition and Designing Modern Poster with Adobe InDesign, Batch 2” in a Computer Laboratory, the Faculty of ICT, Mahidol University, Salaya.

Adobe InDesign CC is a high-performance program for media printing work. It is suitable for document design or layout, and can be used for various purposes due to its easy-to-use tools and fast performance. The objective of the hands-on workshop, “Composition and Designing Modern Poster with Adobe InDesign, Batch 2” was to teach basic techniques of using Adobe InDesign CC, such as transitioning from basic to becoming a Graphic Designer, working with InDesign, various techniques for working with illustrations, exporting files in different formats, as well as inserting techniques that will help learners apply their knowledge to create effective works.
