

## Student Activity News

### ICT Mahidol led ICT International Program students to the workshop on “Basic 3D Printing” at Institute for Technology and Innovation Management

On 3 March 2023, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), led by Dr. Pisit Praiwattana, Assistant Dean for Organizational Communications and Media Technology, instructor of the course ITCS 486 Multimedia Data Technology, led the 3<sup>rd</sup> year students of B.Sc. in Information and Communication Technology (ICT International Program) and ICT staff to participate in a workshop on “Basic 3D Printing”. On this occasion, Mr. Chonmapoom Phuengphung, a staff and his team welcomed ICT Mahidol instructor, and students, and then presented the information of 3D printing technology and tools at the Institute for Technology and Innovation Management, Mahidol University, Salaya Campus.

The workshop on “Basic 3D Printing” aimed to enhance students’ knowledge on 3D printing technology and tools so that they can apply it to design or create various products in the future.
