### ICT Mahidol held a training on “Personality Development and Job Interview Techniques” for its 4<sup>th</sup> year students

On March 15, 2023, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), held a training on “Personality Development and Job Interview Techniques” for its 4<sup>th</sup> year students of Bachelor of Science in Information and Communication Technology (ICT International Program). During the training, Lect. Suthinee Uthaiwong, a former HR executive of a leading organization and the owner of the MC Beam by Fahever fan page and Fahever Group SMEs, served as the keynote speaker. On this occasion, Mrs. Amornrat Chairat, the Deputy Dean for Budget and Finance, and Mrs. Saengduean Pornpanomchai, the Acting Head of Academic Services, greeted and gave a souvenir to him in Room IT310, ICT Building, Salaya.

The training, “Personality Development and Job Interview Techniques” aimed to provide students with the necessary guidance and skills essential for career progression, as

well as equip them with interview techniques that would enhance their chances of securing job opportunities in the future.
