

## Student Activity News

ICT Mahidol led DST Thai Program students in a study visit at National Electronics and Computer Technology Center (NECTEC)

On March 24, 2023 – the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), led by Assoc. Prof. Dr. Sudsanguan Ngamsuriyaroj, as well as Asst. Prof. Dr. Thitinan Tantidham, instructors of the course, ITDS201 Industry Problems and Experiences 2, as well as ICT Mahidol staff, led the 2<sup>nd</sup> year students of B.Sc. in Digital Science and Technology (DST Thai Program), in a study visit at National Electronics and Computer Technology Center (NECTEC). On this occasion, Mr. Chatchawal Sangkeettrakarn, Senior Researcher, Artificial Intelligence Research Group (AINRG), NECTEC, gave a presentation on “Conversational AI”. And, Ms. Russarin Methachalermpat, Engineer, Center for Cyber-Physical Systems, NECTEC, presented “Internet of Things and its Application” to all students.

The objectives of this study visit were to promote and develop students' skills in digital science and technology learning, as well as other skills related to applying them in the workforce through learning from real practitioners.
