### ICT Mahidol organized the "IoT Talks 2023: How IoT and Metaverse Impact Our Business"

On April 26, 2023 – the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), organized the "IoT Talks 2023: How IoT and Metaverse Impact Our Business" in room A2, ICT Building, Mahidol University, Salaya, as well as via Webex Meetings. On this occasion, Mr. Pongwud Praipaisankij, CEO, Multiverse Expert (MI Group), and Secretary of the Metaverse Association of Thailand, served as the keynote speaker. During the session, he shared his knowledge about the impact of the Internet of Things (IoT) and Metaverse technology on business with all participants.
