ICT Mahidol organized “MUICT-AST The Series: The Best of 2023” on the topics, “Computer Networks” and “Fundamental of UX/UI Design”

On May 27, 2023 – the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), organized “MUICT-AST The Series: The Best of 2023”. On this occasion, Lect. Pagaporn Pengsart, Deputy Dean for Infrastructure and Technology, served as the keynote speaker on the topic “Computer Networks” and Dr. Worluck Wongse-Ek, Instructor, was the speaker for “Fundamental of UX/UI Design” via Webex Meetings, with 55 individuals participating in both sessions.

The “MUICT-AST The Series: The Best of 2023” is a project provided by the Faculty of ICT as free academic services. It aims to improve the ICT abilities of individuals, regardless of age or gender. The training will be conducted online every Saturday, starting from May 13th, 2023 to June 10th, 2023, and will cover seven topics as follows:

- 1st week: Introduction to Chinese and Introduction to English
- 2nd week: Fundamental of C Programming, and Introduction to Cybersecurity
- 3rd week: Computer Networks, and Fundamental of UX/UI Design
- 4th week: Fundamental of Usability Testing
