- Miss Tasha Settewong, 4th year student, Software Engineering Track, presented her registered report of "Mining the Characteristics of Jupyter Notebooks in Data Science Projects at the the 20th International Conference on Mining Software Repositories 2023 (MSR 2023).

- Mr. Pattarakrit Rattanukul, and Mr. Pumipat Watanakulcharus, ICT Alumni #Batch 16, presented their work "Microusity: A testing tool for Backends for Frontends (BFF) Microservice Systems" at the 31st International Conference on Program Comprehension 2023 (ICPC 2023). The work is a part of their graduating undergraduate project.

The Faculty of ICT would like to express our admiration for the student and 2 alumni who presented their work on this occasion. It is a source of great pride for the Faculty.
