ICT Mahidol instructor and staff served as guest speakers on the topic, "Cybersecurity Awareness" at the National Security Council

On June 13, 2023, Dr. Ittipon Rassameeroj, Assistant Dean for Infrastructure and Technology, and Mr. Noppanut Suksriupatham, Computer Technical Officer, Technology Infrastructure Division, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), served as guest speakers at the training program titled "Development of Digital Course for Personnel of the National Security Council: Cybersecurity Awareness". The event took place at the Vichitwatakarn Meeting Room in the Government House, with Mr. Chatchai Bangchud, Secretary of the National Security Council, presiding over the training and delivering the opening remarks.

The primary objective of the training program was to enhance the cybersecurity awareness of the National Security Council personnel and provide them with a comprehensive understanding of various cyber threats. The sessions also aimed to equip participants with essential knowledge and skills to effectively prevent future cyber threats in a timely and accurate manner.
